John,

A letter approving your request for an extension of your client's General Notice Letter for the CES Environmental Services, Inc.- Houston Site is being routed for needed concurrences and approval by the EPA. The approval letter will be mailed to you after it is signed by Carl E. Edlund, P.E., Director, Superfund Division.

At this time I see no reason that your request will not be approved. Therefore, unless I advise you otherwise, please consider this email to be an approval of your request for an extension to your client's General Notice Letter for the CES Environmental Services, Inc.- Houston site.

Mr. Werner,

I hadn't heard back, so I wanted to make sure you had received the email I sent last week (copied below) regarding the extension of time for Valero to respond to the CES Notice Letter. If there are any problems with the request, please let me know. I appreciate your prompt response. John Muir

Mr. Werner,

As we discussed today, Valero Refining-Texas, L.P. ("Valero") requests an additional 30 days to respond to the February 27, 2015 General Notice Letter for the CES Environmental Services, Inc.-Houston Superfund Site in Houston, Harris County, Texas, to enable Valero to complete its internal search and review of documents relevant to the Site. I appreciate your prompt consideration and response to this request. If you have any questions or need any further clarification, please contact me by phone or email. John Muir
